GEN. & REV. SECTT.

Dear Sir,

Mysore District Board 3½ % Loan 1946-1951.

I write to inform you that the total amount of subscription hitherto received and credited to the Mysore District Funds is Rs 4,62,500. The balance of Rs 2,37,500 has yet to be subscribed for. The loan is being advertised in the Mysore Gazette, both in English and Kannada every week from 22nd May 1936. It was also advertised for some time in some of the leading news papers out side Mysore viz., the Hindu, The Madras Mail and the Bombay Chronical. Special letters were also written to the Mysore Bank and the Indian Bank to invest their surplus funds in this loan and to Brokers and Bankers outside Mysore to canvass subscriptions to the loan on brokerage. The response from all these Brokers and Bankers has not however been very encouraging and consequently a sum of Rs 2,37,500 is still required to make up the full amount of rupees seven lakhs. Out of this amount, a sum of Rs 50000/- is promised to be invested out of the Mysore District Board Elementary Education Fund and Rs 75,000/- from the Muzrai Institution Fund. Taking thdse amount also into account, the net amount yet required to close the loan is Rs 112500.

2. Some of the District Boards and Municipalities in the Province viz., Kadur, Tumkur and Chitaldrug, have, I believe, large cash balances at their credit, over and above their normal requirements. They have also got large amounts in their railway cess, probably earning only a small rate of savings Bank interest. If all such funds are not required for the purposes for which they

were

were collected, for some years, it would be an advantage to those bodies to invest their funds in the Mysore District Board 3½ per cent loan 1946-1951, as this is a better investment in the present conditions of the money market. I therefore request you to kindly take this matter into your kind consideration and obtain sanction of Government to enable these bodies to invest their moneys in this loan to the extent required. This will facilitate the loan work very considerably and the District Board of Mysore will also thank the Government for their timely help to the Board.

Yours sincerely,

Dear Sir,

I invite your kind reference to my D.O.Letter No.C. 1372 L.B.35-36 dated 10th October 1936, re: the unsubscribed for portion of the Mysore District Board 3½ percent Loan 1946-1951 and to state that the subscriptions to the loan so far received and promised to be received, amount to Rs 6,20,750/- to date as particularised below:-

1	Cash received	Rs 4,98,250- 0- 0
2	Mysore District Elementary Education Fund(promised)	Rs 50,000-0- 0
3	Muzrai Institution Fund still to be received by R.T.R. (Promised)	Rs 72,500- 0- 0
	Total	Rs 6,20,750- 0- 0

The amount yet required for making up the full sum of seven lakhs is Rs 79,250/-. As already suggested by me, in my above D.O. Letter, the District Boards of Kadur, Tumkur and Chitaldrug, may take up debentures of this loan to the above extent, since they have got large cash balances at their credit.

As, however, the time allowed for receiving subscriptions to the loan has almost expired, and the loan has to be closed on the 31st October 1936, I request immediate orders of Government on my above D.O.letter authorising those District Boards to invest

their moneys in this loan to the extent required before the close of the current month.

If this is not feasible, sanction of Government may kindly be communicated to keep open the loan for receiving subscriptions from the public till the end of November 1936 or till the balance required is subscribed for fully, whichever is earlier.

As there is only a short time before the close of the month, I request that Government may kindly be moved to communicate their order on the matter before the 31st October 1936.

Yours sincerely,

SUBJECT :—

With reference to your letter No.L.3075/L.B.113-35-28 dated 21st October 1936, regarding the investment of surplus balances of the Tumkur and Kadur District Boards in the Mysore District Board 3½ Percent loan of 1946-1951, I have the honour to bring to your kind notice, that the District Boards of Tumkur and Kadur have not yet sent me any applications for the investment of their moneys in the above loan. I have, however, sent to them to-day copies of your order in the matter and requested them to send their applications to the loan immediately.

2. The Muzrai Commissioner in Mysore, Bangalore, has also ordered the Deputy Commissioners of Districts(except Bangalore) to direct the Amildars of Taluks to send R.T.Rs. for Rs 75,000/- (in all) to this office immediately ; but no other Taluk except Shimoga, has sent its R.T.Rs. The Deputy Commissioners of Districts have been requested by me also, to send the R.T.Rs. to this office immediately.

3. The Government have not passed any orders on the investment of Rs 50,000/- from the Mysore District Elementary Education Fund, in the Mysore District Board 3½ % loan, though they were reminded about it by the Director of Public Instruction in Mysore. This question is, I believe, pending disposal in the Education Branch of the Secretariat and I request that that Branch may kindly be urged to issue orders in the matter immediately so that

1	Amount of subscriptions received uptodate (14-11-1936) inclusive of Muzrai Institution funds	Rs 6,11,500/-
2	Muzrai Institution funds yet to be received by R.T.Rs for bonds of Rs 75000/- reserved for that department.	Rs 24,100/-
3	Tumkur District Board Fund(promised and accepted by this office)	Rs 50,000/-
4	Mysore District Elementary Education Fund promised and now pending approval of Government	Rs 50,000/-
	Total	Rs 7,35,600/-

3. Thus, it may be seen that the loan is over subscribed by Rs 35,600/- and as the amount required by the District Board is only rupees seven lakhs, I propose to cut down the Mysore District Elementary Education Fund investment by Rs 35,600/- reducing thereby the amount of this proposed investment from Rs 50,000/- to Rs 14,400/- to make up the full sum of Rs seven lakhs. My proposal may kindly be sanctioned and the School Board Officer, Mysore District, directed to remit the sum of Rs 14,400/- to the Treasury immediately, as the loan is already notified as closed.

4. If the above proposal is not accepted by Government, then the total amount of the subscriptions received and expected to be received will fall short of the required amount of rupees seven lakhs by Rs 14,400/-. This amount may be ordered to be invested from the Funds of the Kadur District Board. The President of this District Board has not intimated to me what amount the Board wants to invest in the loan, though a reference was made to him in the matter. I request therefore, that very early orders of Government may be issued to him to invest the amount of Rs 14,400/- in this loan.

5. In this connection, I should like to mention that, if definite orders of Government in the matter of investment of the sum of Rs 50,000/- fromthe Mysore District Elementary Education Fund, had been communicated to me before the 31st October 1936, as requested in my letter No.C.1372 L.B.35-36 dated 21/22nd October 1936, I would not have taken this amount into account but made other arrangements to get the balance to make up seven

seven lakhs by keeping open the loan for some more days. But as no orders were or have been communicated to me in the matter up-to-date, I could not but close the loan on 4th November 1936, as the subscriptions (both received and expected to be received) exceeded seven lakhs of rupees.

6. The District Elementary Education Fund is a separate fund and if a portion of its money is invested in the 3½ % loan, the fund would get the benefit of a higher rate of interest than the Savings Bank rate. I would, therefore, strongly urge for its investment in this loan. In this connection, I would like to mention that when the Nanjangud Chamarajanagar Railway 7% loan was floated, nearly Rs 8,65000/- belonging to the Taluk-t Boards was invested in the loan ~~through~~ though the money was our own and this instance gives strength to my proposal mentioned in para 3 above and it may be kindly approved, if Government see no other objection.

I have the honor to be,
